Bangalore.

SIR,

With reference to your letter dated 13th May 95 addressed to me I am directed to inform you that until the Madresa-i-muffadia Anjuman is removed to a rented building in Jalee Mohalla the grant-in-aid can not be renewed and that no further application need be made until the removal has taken place.

2. The committee you have proposed does not meet with the approval of Government. It should consist of more representative men of the Muhammadan community. A better selection will be suggested.

3. With regard to the site which you say has been granted to you by the Municipal Board of Bangalore for the purpose of erecting upon it a building for the girls' school, I am to draw your attention to Resolution XIII passed by the Board at a meeting held on the 25th June and 11th July 1893 by which the grant was cancelled and the site resumed, as well as to Resolution X passed at a meeting of the Board held on the

25th September 1894 by which the President was authorised to recover the property by a suit if necessary, the grant of which had been cancelled. Under these circumstances you have to acquire a fresh site and till a building is erected for the school it must be held in a rented building in Jalee Mohalla.
